

From Basic Science to Clinical Practice

5TH CENTRAL EUROPEAN CONGRESS ON OBESITY

OCTOBER 1-3, 2015 HOTEL FLAMENCO | BUDAPEST, HUNGARY

Invitation | 5th Central European Congress on Obesity

Dear Colleague,

We have the pleasure to invite You to the **5th Central European Congress on Obesity** that will be held **1-3 October, 2015 in Budapest, Hungary**.

Welcome message of the Congress Chair:

Dear Colleagues,

The growing epidemy of overweight and obesity cause significantly increased medical costs for healthcare systems worldwide and less quality of life for the individuals. Increasing incidence and increasing degree of excess weight at the same time require multidisciplinary approach and global strategies. Separate solutions have had no result so far.
