

Dear colleagues,

you are cordially invited to **submit your abstracts** and share the knowledge from your field of expertise, e.g. the results of your research or interesting clinical cases.

The abstract should be structured, with up to 3 references. The length **should not exceed 350 words**. Any drugs should be written with generic names. Financial support from sponsoring companies or any conflict of interest should be clearly stated at the end of the paper. In addition to the names of the authors, each paper should contain the name and the address of the institution and the e-mail address of the author who will present the paper. The authors are also asked to indicate the preferred form of presentation - poster or oral presentation.

The abstracts will be evaluated by the Scientific committee and the best ones will be selected for a short oral presentation in the *Free topics session*. Evaluation criteria include the scientific or clinical value of the research work. Selected papers that will not be included in the oral presentation will be presented as posters. The first author of the best oral presentation and the first author of the best poster will be awarded.

The deadline for the abstract submission is **August 15<sup>th</sup>, 2022**. The abstract should be submitted by e-mail to: **7sek2022@gmail.com**

Best regards,

Organizing committee
