

Your monthly dose of **ISE news**

In this month's Newsletter, we meet with one of our members' societies: the Mexican Society of Nutrition and Endocrinology. We are pleased to announce that we add another partner to our global network: ICOSEP - the International Coalition of Organizations Supporting Endocrine Patients. And last but not least we have some exciting news from our member - the Endocrine society - that announced the 13 leading endocrinologists who are the winners of its prestigious 2020 Laureate Awards! Keep reading to find out more!

SPOTLIGHT ON ISE MEMBERS AND PARTNERS

Focus on the Mexican Society of Nutrition and Endocrinology

ISE represents more than 60 national endocrine scientific societies from around the world and today we would like to meet you with one of them:

the Mexican Society of Nutrition and Endocrinology.

Read the article on the link below to find out more about their recent Annual Meeting and about the society itself!

MEMBER'S NEWS

Endocrine Society 2020 Laureate Awards

The Endocrine Society has chosen 13 leading endocrinologists as winners of its prestigious 2020 Laureate Awards, the top honors in the Endocrinology field.

These professionals have achieved breakthroughs in scientific discoveries and clinical care benefiting people with hundreds of conditions, including diabetes, thyroid disorders, obesity, hormone-related cancers, growth problems, osteoporosis and infertility.

Read more about the Awards and find out who are the Awardees on the link below!
